Mobile: [+91-7051263917](tel:+91-7051263917)

SKILLS

Languages: C , C++ , JavaScript, Java , PHP
Frameworks: HTML , CSS , JavaScript, Bootstrap, NodeJs, React, Tailwind, JQuery, Mongoose
Tools/Platforms: MySQL Server, Ubuntu, Git & GitHub, MongoDB, Postman.
Soft Skills: Adaptability, Leadership, Time Management, and Critical Thinking.

PROJECTS

Project management Website – T-MAN | React, Node.js, Express, MongoDB| [LINK](#) Feb2026 – March 2026

- Developed a full-stack project management platform supporting task tracking, deadlines, and team collaboration
- Designed a responsive UI using Tailwind CSS, improving user experience across devices
- Built RESTful APIs for efficient data handling, enhancing application performance and scalability

Tourism based platform - AllaboutBhaderwah| JAVASCRIPT, HTML, CSS, PHP | [LINK](#) July 2025 - Aug 2025

- Created a visually appealing, responsive tourism platform highlighting Bhaderwah's rich history, major attractions, and vibrant cultural heritage, Naag traditions through clean organized layouts
- Added descriptive, content paired with high-quality imagery to offer an immersive experience for visitors.
- Built a smooth, intuitive interface showcasing tourist places and historical information with aesthetics.

E-Learning Study platform - HiStudy | HTML, CSS, JAVASCRIPT, PHP | [LINK](#) Mar 2025 - Jul 2025

- Developed a dynamic, scalable e-learning platform featuring interactive dashboards, responsive layouts, and efficient user authentication using robust PHP logic, structured MySQL databases.
- Designed a modern UI with category filters, featured items, promotional sections for better UX.
- Integrated interactive quiz-based learning modules using engaging questions on trending topics, dynamic scoring, and real-time feedback to enhance student participation and concept retention.

TRAINING

Data Structure and Algorithms from CipherSchools Apr 2025 - May 2025

- Completed rigorous training focused on efficient algorithm design and optimized data handling
- Strengthened proficiency in sorting, searching, recursion, and dynamic programming fundamentals
- Solved 150+ structured coding problems, enhancing algorithmic thinking and logical reasoning
- Applied concepts by developing a **console-based Dice Game** using arrays, loops, and randomization

ACHIEVEMENTS

- Earned 10 advanced MongoDB University badges, hands-on proficiency in schema designing concept.
- Solved 200+ diverse coding challenges across LeetCode, HackerRank, showcasing algorithmic depth.
- Achieved Hacker Rank 4 star rating in problem solving, reflecting competitive programming capabilities.

CERTIFICATES / CERTIFICATION

Cloud Computing NPTEL LINK	Jul – Oct 2025
Data Structure and Algorithms in C++ LINK	July 2025
Github and Git certificate from CipherSchools LINK	June 2025
Hack – a – throne 1.0 from AIESEC LINK	Aug 2024

EDUCATION

Lovely Professional University Bachelor of Technology Computer Science and Engineering; CGPA: 7.39	Phagwara, Punjab Aug 2023 – Present
GOVT. Mixed Hr. Sec. School Intermediate PCM; Percentage: 77	Muthi, Jammu Jun 2020 – Jul 2022
Activity Public Hr. Sec. School Matriculation Percentage: 79.2	Janipur, Jammu Jun 2018 – Jul 2020
